WHY ACU?

At Abilene Christian University, students from around the world find a welcoming, close-knit community in the heart of Texas. Here, you'll experience a Christ-centered education, build meaningful relationships with professors and classmates and prepare for a career that can take you anywhere.

Choose from 89 undergraduate majors and discover hands-on opportunities to learn beyond the classroom. International students also have access to dedicated support as they navigate admission, enrollment and life in the United States.

At ACU, you won't just earn a degree. You'll become part of a community where you can grow academically, personally and spiritually while making connections that reach around the world.
